LATITUDE 3.X NETWORK VIDEO MANAGEMENT SYSTEM

End of Life Notice

Subject: End of Life Notice for Latitude Network Video Management System, Version 3.x, Classic, Elite and Enterprise

Models Effected: Latitude 3.x Classic – LAT35-C-DMC
Latitude 3.x Elite – LAT35-EL-DMC
Latitude 3.x Enterprise – LAT35-NT-DMC

Effective Date: May 1, 2009

Availability: No new Latitude NVMS V3.5 licenses are available from this point forward. If new cameras or clients need to be brought on-line, the system will need to be upgraded to the latest software version.

Support Note:

DVTel's support team will continue to support all Latitude NVMS Version 3.5 systems until November 1, 2009. At that point, all systems that are running the older version of software should be migrated to most recent version of Latitude NVMS software. To schedule an upgrade, all requests must go through DVTel's Pre-Sales team who can be reached at V6upgrades@dvtel.com or 1-888-DVTel-77.

Replacement products:

Latitude NVMS Classic – LATXX-C-DMC
Latitude NVMS Elite – LATXX-EL-DMC
Latitude NVMS Enterprise – LATXX-NT-DMC
