

## Altitude 9800 Series MPEG-4 PTZ Cameras

**Subject:**

Due to the release of DVTel's H.264 camera product line, the older model 9800 Series products are going end-of-life and replacement products are now available.

**Models Effected for End-of-Life:**

DVT-9840xxxx (all models names that begin with DVT-9840)

**Effective Date:**

Immediately

**Availability:**

Limited stock available until inventory depleted to Warranty Support Levels

*Note: The products listed above for end-of life. DVTel will endeavor to maintain stock of units in the event of warranty failures. In the event that DVTel does not have the direct replacement, customers will be provided with a unit of comparable or better performance. In that event, DVTel cannot guarantee the same form or fit for the replacement product.*

**Replacement Products:**

DVT-9840 Series replaced by CP-2101 Series

Note: CP-2101 is supported from Latitude version 6.0 HF#2 and up
