DVTel Kicks Off 2010 Roadshow

Ridgefield Park, NJ, June 10, 2010 -- DVTel, Inc., multiple award-winning market leader in the development and delivery of intelligent security solutions over IP networks, is looking forward to getting on the road and kicking off their 2010 Roadshow: Lights, Cameras, Action...The Action Is On The Edge.

This roadshow will introduce DVTel's newest line of IP cameras and the integrated image intelligent analytics to Value Added Resellers, End Users and the Architect and Engineering communities. Highlights include:

- How DVTel saves 50 hours in installation labor with the new line of Altitude IP Cameras
- How intelligent analytics make our lives safer and solutions more effective
- The difference between HD and Megapixel Cameras
- The difference between Cameras only and Camera Systems

Each session will be about three hours in length with a combination of presentations, demonstrations, Q&A and lunch.

The Meadowlands in New Jersey on Tuesday, June 22

Rochester, New York on Thursday, June 24

Washington, DC on Monday, June 28

Chicago, IL on Wednesday, June 30
